CYSA is a 501(c)(3) nonprofit organization; any sponsorship and/or donation is tax deductible

ABOUT CYSA & CFC

Covington Youth Soccer Association (CYSA) was established in 1982 as a non-profit organization. CYSA does not receive any monetary support from the city of Covington or St Tammany Parish. All of the club's operational funding comes from the fees collected from its members and donations and sponsorships. CYSA is a volunteer run organization led by a volunteer board of directors.

Our primary mission is "To teach, promote and govern the game of soccer for the benefit of the players, parents and the community." While promoting and growing the game of soccer is CYSA's primary focus, we understand the role and responsibility we have to the greater Covington areas and the northshore community as a whole. Over the past 40+ years, CYSA has gained a reputation as the best developmental soccer program on the northshore. Supporting CYSA through sponsorships allows us to continue to fulfill our mission.

OUR VISION

The success of Covington FC starts with the recreational program, and the foundation is built with the academy program. We have built our club on the foundation of technical soccer, and we pride ourselves on offering the best developmental program on the Northshore. We have a philosophy that drives the development of young players because the foundation of our competitive teams are home-grown players. Covington FC is proven in its success at turning young potential into excellence, with the pathway producing a significant amount of talent throughout the years. Covington FC players should immediately be recognizable by their technical abilities.

COACHES

The coaches at Covington FC are passionate about developing the best soccer players in the state of Louisiana. Coach Curt Aertker, Director of Coaching, has experience leading boys and girls teams to state and regional championships, national league appearances, and developing individual players for numerous accolades. Our coaches are heavily involved in the local community, many of which coach at local high schools and hold advanced coaching licenses (D license or higher). Continuing education is a foundation of our programs, as our coaches are improving their education every season with US Soccer, United Soccer Coaches, Coerver and many other platforms. We currently offer goal keeping training with our in house Goal Keeper coach, Coach Warren Guillot. We are always looking to grow our coaching pool. If you have the desire to learn and develop the youth of St. Tammany in a positive, creative culture, please reach out to us at info@covingtonsoccer.com

AFFILIATIONS

CYSA is affiliated with and is guided by the Louisiana Soccer Association (LSA), the US Youth Soccer Association (USYSA), the US Soccer Federation (USSF), US Club Soccer (USCS), and the Federation Internationale de Football Association (FIFA).

BY THE NUMBERS

44 YEARS

Covington Youth Soccer Association was chartered by the State of Louisiana in 1982 as a non-profit organization to teach, promote, and govern the game of soccer for the benefit of the players, parents, and community of Covington.

Why Sponsor CYSA & CFC?

**CYSA is a 501(c)(3) nonprofit organization; any sponsorship and/or donation is tax deductible.
CYSA does not receive taxpayer funding from St. Tammany Parish or the City of Covington**

Our organization's funding comes from two sources:

Directly from our programs participants through registration fees

Through donations and sponsorships from generous individuals & local businesses like you!

CYSA & CFC are growing!

CYSA has experienced steady growth over the past 5 years.

Program participation has grown 175% since 2018.

CYSA currently has over 50 teams which compete in leagues and in competitions which are held locally (i.e. at CYSA and other parts of the Northshore and Southshore), around Louisiana, and across the Gulf Coast Region.

All sponsorship money stays within our community and directly benefits CYSA participants and other organizations that utilize our facility.

We support local public & private schools by providing a place to host their soccer training, matches, and tournaments. (St. Peter's, Lake Castle, Hannan, Covington High School, Mandeville High School and others)

CYSA proudly hosts UPfield Northshore, an innovative program for kids aged 2-5, which has over 150 attendees per session (6 sessions a year).
